

ABSTRAK

Penelitian ini mengkaji tentang Partisipasi Perempuan dalam Pencalonan Anggota Legislatif (Studi di Kabupaten Labuhanbatu Selatan Sumatera Utara). Penelitian ini bertujuan untuk mengetahui mengapa partisipasi perempuan dalam pencalonan legislatif Partai Kebangkitan Bangsa (PKB), Partai Perindo, dan Partai Amanat Nasional (PAN) meningkat dan bagaimana strategi Partai Kebangkitan Bangsa (PKB), Partai Perindo, dan Partai Amanat Nasional (PAN) dalam mendorong peningkatan partisipasi perempuan dalam pencalonan legislatif. Penelitian ini menggunakan teori partisipasi politik Gabriel A Almond. Metode yang digunakan dalam penelitian ini yaitu penelitian kualitatif. Hasil penelitian ini menunjukkan bahwa partisipasi perempuan dalam pencalonan anggota legislatif Partai Kebangkitan Bangsa (PKB), Partai Perindo, dan Partai Amanat Nasional (PAN) meningkat (1) kebijakan kuota 30% untuk perempuan (2) meningkatnya perempuan yang melekat politik. Strategi Partai Kebangkitan Bangsa (PKB), Partai Perindo, dan Partai Amanat Nasional (PAN) dalam mendorong peningkatan partisipasi perempuan dalam pencalonan legislatif (1) kebijakan mobilisasi politik (2) penguatan kapasitas perempuan (3) kebijakan politik patronase

Kata Kunci : Partisipasi, Legislatif, Ketewakilan Perempuan

ABSTRACT

This study examines Women's Participation in Legislative Candidate Nominations (Study in South Labuhanbatu Regency, North Sumatra). This study aims to determine why women's participation in legislative nominations for the National Awakening Party (PKB), Perindo Party, and National Mandate Party (PAN) has increased and what are the strategies of the National Awakening Party (PKB), Perindo Party, and National Mandate Party (PAN) in encouraging increased women's participation in legislative nominations. This study uses Gabriel A Almond's theory of political participation. The method used in this study is qualitative research. The results of this study indicate that women's participation in legislative nominations for the National Awakening Party (PKB), Perindo Party, and National Mandate Party (PAN) has increased (1) the 30% quota policy for women (2) the increase in politically literate women. The strategy of the National Awakening Party (PKB), the Perindo Party, and the National Mandate Party (PAN) in encouraging increased participation of women in legislative nominations (1) political mobilization (2) strengthening women's capacity (3) patronage political policies
