

ABSTRAK

Nama : Dwi Thirta Andrean
Program Studi : Ekonomi Syariah
Judul Skripsi : Peran Koperasi Syariah Terhadap kemandirian
Ekonomi Pondok Pesantren

Penelitian biometrik ini bertujuan untuk mengetahui : (1) Tren topik penelitian. (2) Jumlah publikasi dan sitasi. (3) Kecenderungan desain penelitian. (4) Penggunaan subjek penelitian. (5) Penggunaan jenis instrumen. (6) Penggunaan teknik analisis data. (7) Kecenderungan hasil penelitian pada penelitian tentang peran koperasi syariah terhadap kemandirian ekonomi pondok pesantren. Penelitian ini menggunakan metode kuantitatif. Data yang digunakan yaitu jurnal artikel berdasarkan database *Google Scholar*, *Scopus* dan *Web of Science* dengan topik peran koperasi. Ditemukan 134 artikel yang relevan dengan topik penelitian. Analisis data dilakukan menggunakan aplikasi Microsoft Office, Mendeley, Vosviewer sebagai media analisis bibliometrik. Hasil penelitian menunjukkan bahwa : (1) Terdapat 10 (jurnal) yang paling banyak mempublikasi tema penelitian peran koperasi terhadap kemandirian pesantren. (2) Pola pertumbuhan publikasi berdasarkan tahun dan sitasi mengalami pola yang signifikan dan fluktuatif. (3) Terdapat beberapa kata kunci yang sering muncul dalam penelitian peran koperasi terhadap kemandirian pesantren di antaranya kata kunci pesantren, kewirausahaan, pemberdayaan ekonomi, kemandirian, ekonomi, santri, manajemen, entrepreneurship dan kiai leadership. (4) Topik yang sedang berkembang selama tahun 2019 sampai dengan 2023 di antaranya kiai leadership, kemandirian, kewirausahaan, pesantren, Islamic boarding school development, pengembangan bisnis, dan santripreneur., pemberdayaan ekonomi, ekonomi, santri dan education. (5) Bidang atau sub-topik yang masih jarang diteliti di antaranya entrepreneurship, history, micro waqf bank, pengelolaan, pengembangan ekonomi, perekonomian, pesantrenpreneur, unit usaha, dan wakaf. (6) Prediksi arah penelitian terkait dengan peran koperasi terhadap kemandirian pesantren di antaranya entrepreneurship, history, micro waqf bank, pengelolaan, pengembangan ekonomi, perekonomian, pesantrenpreneur, unit usaha, dan wakaf.

Kata Kunci : Analisis Bibliometrik, Koperasi, Kemandirian Ekonomi, Pesantren.

ABSTRACT

Name : Dwi Thirta Andean
Study Program : Ekonomi Syariah
Title : *The Role of Sharia Cooperatives in the Economic Independence of Islamic Boarding Schools*

This biometric research aims to determine: (1) Research topic trends. (2) Number of publications and citations. (3) Research design tendencies. (4) Use of research subjects. (5) Use of instrument types. (6) Use of data analysis techniques. (7) Research result tendencies in research on the role of Islamic cooperatives in the economic independence of Islamic boarding schools. This research uses quantitative methods. The data used are journal articles based on database Google Scholar, Scopus dan Web of Science with the topic of the role of cooperatives. 134 articles were found that were relevant to the research topic. Data analysis was carried out using Microsoft Office, Mendeley, Vosviewer applications as bibliometric analysis media. The results of the study showed that: (1) There were 10 (journals) that published the most research themes on the role of cooperatives in the independence of Islamic boarding schools. (2) The growth pattern of publications based on year and citations experienced a significant and fluctuating pattern. (3) There are several keywords that often appear in research on the role of cooperatives in the independence of Islamic boarding schools, including the keywords Islamic boarding schools, entrepreneurship, economic empowerment, independence, economy, students, management, entrepreneurship and kiai leadership. (4) Topics that are currently developing during 2019 to 2023 include kiai leadership, independence, entrepreneurship, Islamic boarding schools, Islamic boarding school development, business development, and santripreuners, economic empowerment, economy, santri and education. (5) Fields or subtopics that are still rarely researched include entrepreneurship, history, micro waqf banks, management, economic development, economy, pesantrenpreuners, business units, and waqf. (6) Predictions of research directions related to the role of cooperatives in the independence of Islamic boarding schools include entrepreneurship, history, micro waqf banks, management, economic development, economy, pesantrenpreuners, business units, and waqf.

Keywords : *Bibliometric Analysis, Cooperatives, Economic Independence, Islamic Boarding Schools*
