IMPLEMENTASI PROGRAM BANTUAN LANGSUNG TUNAI (BLT) DALAM UPAYA MENINGKATKAN KESEJAHTERAAN MASYARAKAT (Studi Penelitian Desa Paya Gambar Kampung Sumur Kecamatan Batang Kuis)

(Dr. Amrizal S.H., LL.M dan Muksalmina S.H.I,M.H)

Penelitian ini dilatarbelakangi oleh pentingnya Program Bantuan Langsung Tunai (BLT) Dana Desa sebagai salah satu upaya pemerintah dalam menanggulangi kemiskinan dan meningkatkan kesejahteraan masyarakat. Namun, dalam pelaksanaannya di Desa Paya Gambar Kampung Sumur masih terdapat indikasi permasalahan, seperti ketidaktepatan sasaran penerima bantuan, kurang optimalnya pemutakhiran data penerima, serta masih terbatasnya partisipasi masyarakat dalam pengawasan. Kondisi tersebut menarik untuk diteliti guna mengetahui apakah pelaksanaan BLT Dana Desa telah berjalan sesuai dengan tujuan dan ketentuan hukum yang berlaku.

Permasalahan utama dalam penelitian ini adalah bagaimana pelaksanaan Program Bantuan Langsung Tunai Dana Desa dalam upaya meningkatkan kesejahteraan masyarakat di Desa Paya Gambar Kampung Sumur dan apa saja hambatan yang dihadapi serta bagaimana upaya penyelesaian dalam penyaluran Bantuan Langsung Tunai yang berdampak terhadap kesejahteraan masyarakat. Penelitian ini menggunakan metode penelitian kualitatif dengan pendekatan yuridis empiris. Data diperoleh melalui studi kepustakaan dan penelitian lapangan berupa wawancara.

Hasil penelitian menunjukkan bahwa pelaksanaan Bantuan Langsung Tunai Dana Desa di Desa Paya Gambar Kampung Sumur belum sepenuhnya optimal dalam meningkatkan kesejahteraan masyarakat. Hal ini disebabkan oleh masih adanya ketidaktepatan sasaran penerima akibat data yang belum diperbarui, kurangnya transparansi dalam pendataan, serta lemahnya pengawasan dan partisipasi masyarakat. Oleh karena itu, diperlukan pemutakhiran data secara berkala, peningkatan transparansi, dan penguatan pengawasan agar penyaluran bantuan lebih tepat sasaran dan efektif meningkatkan kesejahteraan masyarakat.

Untuk mengatasi permasalahan tersebut, diperlukan pemutakhiran data penerima secara berkala, peningkatan transparansi, serta penguatan pengawasan oleh pemerintah desa, BPD, dan masyarakat agar penyaluran BLT tepat sasaran dan lebih efektif meningkatkan kesejahteraan masyarakat.

IMPLEMENTATION OF THE DIRECT CASH ASSISTANCE (BLT) PROGRAM IN AN EFFORT TO IMPROVE COMMUNITY WELFARE
(Research Study of Paya Gambar Village, Sumur Hamlet, Batang Kuis District)

(Dr. Amrizal S.H., LL.M and Muksalmina S.H.I,M.H)

This research is motivated by the importance of the Village Fund Direct Cash Assistance (BLT) Program as one of the government's efforts to alleviate poverty and improve community welfare. However, its implementation in Paya Gambar Village, Kampung Sumur, still shows indications of problems, such as inaccurate targeting of aid recipients, suboptimal recipient data updates, and limited community participation in oversight. These conditions are interesting to examine to determine whether the implementation of the Village Fund BLT has been carried out in accordance with its objectives and applicable legal provisions

The main problem in this study is how the Village Fund Direct Cash Assistance Program is implemented in an effort to improve the welfare of the community in Paya Gambar Village, Kampung Sumur. The obstacles faced and how to resolve the distribution of Direct Cash Assistance that impacts community welfare. This study uses a qualitative research method with an empirical juridical approach. Data were obtained through literature review and field research in the form of interviews

. The research results indicate that the implementation of Village Fund Direct Cash Assistance in Paya Gambar Village, Kampung Sumur, has not been fully optimal in improving community welfare. This is due to the continued inaccuracy of recipient targeting due to outdated data, a lack of transparency in data collection, and weak oversight and community participation. Therefore, regular data updates, increased transparency, and strengthened oversight are needed to ensure that aid distribution is more targeted and effective in improving community welfare

To overcome these problems, it is necessary to regularly update recipient data, increase transparency, and strengthen supervision by village governments, BPDs, and the community so that BLT distribution is on target and more effective in improving community welfare
