

ABSTRAK

Penelitian skripsi ini bertujuan untuk menganalisis peran strategis Himpunan Mahasiswa Islam (HMI) komisariat FISIP Universitas Malikussaleh dalam dinamika kepemimpinan organisasi kemahasiswaan (ormawa) serta kontribusinya dalam membangun kehidupan demokrasi di lingkungan kampus. Fokus penelitian ini diarahkan pada dua rumusan masalah, yaitu peranan HMI dalam dinamika pemilihan kepemimpinan internal ormawa Universitas Malikussaleh dan kontribusi HMI dalam membangun kehidupan demokrasi kampus. Hasil penelitian menunjukkan bahwa HMI komisariat FISIP Universitas Malikussaleh memiliki peran strategis dalam dinamika pemilihan kepemimpinan ormawa melalui proses kaderisasi, konsolidasi organisasi, strategi politik, serta pembangunan jaringan dan komunikasi antar mahasiswa. Selain itu, HMI juga berkontribusi dalam membangun kehidupan demokrasi kampus melalui peningkatan partisipasi politik mahasiswa, penciptaan ruang dialog dan deliberasi, serta penguatan budaya diskusi dan penyampaian aspirasi mahasiswa. Kehadiran HMI juga memberikan dampak terhadap meningkatkan keterlibatan mahasiswa dalam dinamika organisasi kampus, meskipun masih terdapat tantangan dalam menciptakan ruang demokrasi yang lebih inklusif. Dengan demikian, HMI komisariat FISIP Universitas Malikussaleh tidak hanya berperan sebagai organisasi kaderisasi, tetapi juga sebagai aktor strategis dalam dinamika kepemimpinan ormawa dan penguatan demokrasi kampus.

ABSTRACT

This thesis aims to analyze the strategic role of the Islamic Students Association (HMI) of the Faculty of Social and Political Sciences Commissariat at Malikussaleh University in the dynamics of student organization leadership and its contribution to building democratic life within the campus environment. This study focuses on two main research problems, namely the role of HMI in the dynamics of internal leadership elections within student organizations at Malikussaleh University and the contribution of HMI in strengthening campus democracy. The results of the study show that the HMI Commissariat of the Faculty of Social and Political Sciences at Malikussaleh University plays a strategic role in the dynamics of student organization leadership elections through cadre formation processes, organizational consolidation, political strategies, as well as the development of networks and communication among students. In addition, HMI also contributes to strengthening campus democracy by increasing student political participation, creating spaces for dialogue and deliberation, and reinforcing a culture of discussion and the expression of student aspirations. The presence of HMI has also contributed to increasing student involvement in campus organizational dynamics, although challenges remain in creating a more inclusive democratic space. Therefore, the HMI Commissariat of the Faculty of Social and Political Sciences at Malikussaleh University functions not only as a cadre organization, but also as a strategic actor in the dynamics of student organization leadership and the strengthening of campus democracy.
