Title :*The Effect of Independent Commissioners, Intellectual Capital, Audit Committees, and Audit Tenure on the Integrity of Financial Reports in State-Owned Companies Listed on the Indonesian Stock Exchange 2020-2022*

This research aims to determine the effect of independent commissioners, intellectual capital, audit committee, and audit tenure on the integrity of financial reports in state-owned companies listed on the Indonesian Stock Exchange 2020-2022. The population in this research is all state-owned companies listed on the Indonesian stock exchange in 2020-2022, totaling 27 companies. The sample obtained using the purposive sampling method was 20 companies so that a total of 60 observations were obtained using panel data regression estimation. This research was processed using Eviews12. The research results show that the independent commissioner, audit committee and audit tenure variables do not have a significant effect on the integrity of financial reports. Meanwhile, the intellectual capital variable has a significant effect on the integrity of financial reports.

Keywords: *Independent Commissioner, Intellectual Capital, Audit Committee, Audit Tenure, Financial Report Integrity.*
