

ABSTRAK

Nama : Syarifah Ninda Mahfira
Program Studi : Ekonomi Pembangunan
Judul : Pengaruh Infrastruktur Terhadap Produk Domestik Bruto Sektor Industri Pengolahan Di Indonesia

Penelitian ini bertujuan untuk mengetahui pengaruh infrastruktur terhadap produk domestik bruto sektor industri pengolahan di Indonesia. Penelitian ini menggunakan data sekunder dan data time series tahun 2009-2023 yang diperoleh dari Badan Pusat Statistik Indonesia. Metode analisis data menggunakan model regresi linier berganda. Hasil penelitian ini menunjukkan bahwa infrastruktur jalan berpengaruh positif secara signifikan terhadap produk domestik bruto sektor industri pengolahan di Indonesia, sedangkan infrastruktur transportasi berpengaruh negatif dan signifikan terhadap produk domestik bruto sektor industri pengolahan di Indonesia. Secara simultan infrastruktur jalan dan infrastruktur transportasi berpengaruh positif dan signifikan terhadap produk domestik bruto sektor industri pengolahan di Indonesia.

Kata Kunci: Infrastruktur jalan, infrastruktur transportasi, dan PDB sektor industri pengolahan.

ABSTRACT

Title : *The Effect of Infrastructure on Gross Domestic Product of the Manufacturing Industry Sector in Indonesia*

This study aims to determine the effect of infrastructure on gross domestic product of the manufacturing sector in Indonesia. This research uses secondary data and time series data from 2009-2023 obtained from the Indonesian Central Bureau of Statistics. The data analysis method uses multiple linear regression models. The results of this study indicate that road infrastructure has a positive and significantly effect on the gross domestic product of the manufacturing sector in Indonesia, while transportation infrastructure has a negative and significant effect on the gross domestic product of the manufacturing sector in Indonesia. Simultaneously, road infrastructure and transportation infrastructure have a positive and significant effect on the gross domestic product of the manufacturing sector in Indonesia.

Keywords: *Road infrastructure, transportation infrastructure, and GDP of manufacturing sector.*
